

# Football team personal accident insurance

Football clubs

## Reasons why you should protect your clubs' players and officials

**Personal accident insurance is designed to provide compensation for players and officials following injury whilst playing, training and travelling to and from organised club activities.**

### Why should our club consider it?

Clubs can have a duty of care to ensure players are protected and unfortunately we are now beginning to see claims arising against them for failing to arrange adequate insurance protection for their players.

In addition to providing financial support to the injured person, the provision of this form of insurance can considerably help to ease the increasing litigation culture we are experiencing within the amateur game.

### Why Bluefin?

Utilising our many years of experience in the football industry, Bluefin, incorporating SBJ Sports, have a unique awareness of the insurance risks faced by football associations and clubs.

We have a library of claims data specific to the industry. This enables us to formulate insurance policies which have been specifically designed to deal with the football risks.

### What are the benefits?

We offer policies providing excellent levels of benefits starting at just £15 per youth team and £30 per adult team. Visit [www.bluefingroup.co.uk/footballpa](http://www.bluefingroup.co.uk/footballpa) for more information.

The policies can provide a range of weekly payments and lump sum benefits for accidental death, permanent total disablement, loss of limbs, eyes, sight, hearing, dental, broken bones, hospitalisation and more.

### Available from May 2010 - new insurer and enhanced benefits

Our product is constantly evolving and we are delighted to announce that we have appointed a new insurer for the 2010/11 season - ACE European Group Limited.

As well as providing enhanced benefit levels and options, clubs will also experience additional claims payment efficiency with the introduction of a BACS payment facility ensuring injured persons receive benefit payments direct to their bank account.

### Already have a policy with Bluefin?

We will be contacting existing policyholders' at renewal with full details of our new policy and how you can renew with us.
